To the Haudenosaunee

As Director of HDI it is my responsibility to make sure that if errors are committed by my staff, or myself that an immediate correction is made.

It has been brought to my attention that an erroneous statement was made by myself or the reporting paper that indicated that the HDI/HCCC had hired Turtle Island News for our Communications Consultant. This is NOT TRUE.

Lynda Powless, Media Consultant was hired as the Communications consultant and her work for the HCCC had nothing to do with her newspaper.

Should you have any questions related to this statement or any other questions that require clarification, please feel free to contact me at your convenience.
